Please be aware that we at the Boiler Room are committed to supporting the music community. Our goal is to promote the Boiler Room as premiere live music venue. However with out the revenue that a bar or restaurant has, we are doing this on a minimal budget. Therefore that is why we are unable to incur any of the advertising cost to promote your show unless already discussed. If flyers are provided to hang up we will do our best to use our street team if they are available, and will also use our facebook, twitter, website and newsletter to promote your show.
